Not much of High School should be remembered. Here's what I got out of it: shuffling Donovan style, dressing like the teacher, island hopping our way through the Pacific Ocean, THE stupidest Spanish videos, skipping class to buy zebra cakes, getting lost going simple places, and having powdered sugar fly all over me. I bow out, singing a combination of "In the Navy" and "Na na na, hey hey, hey, ADIOS!" One last thing, has anyone seen my baby's daddy???

Andrea Cerci

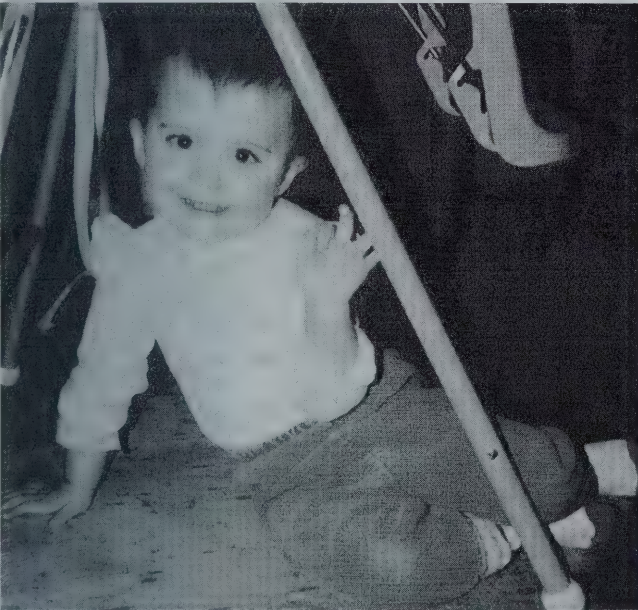

Krista Conway

It took so long, it's been so tough,
but it all went by so fast.

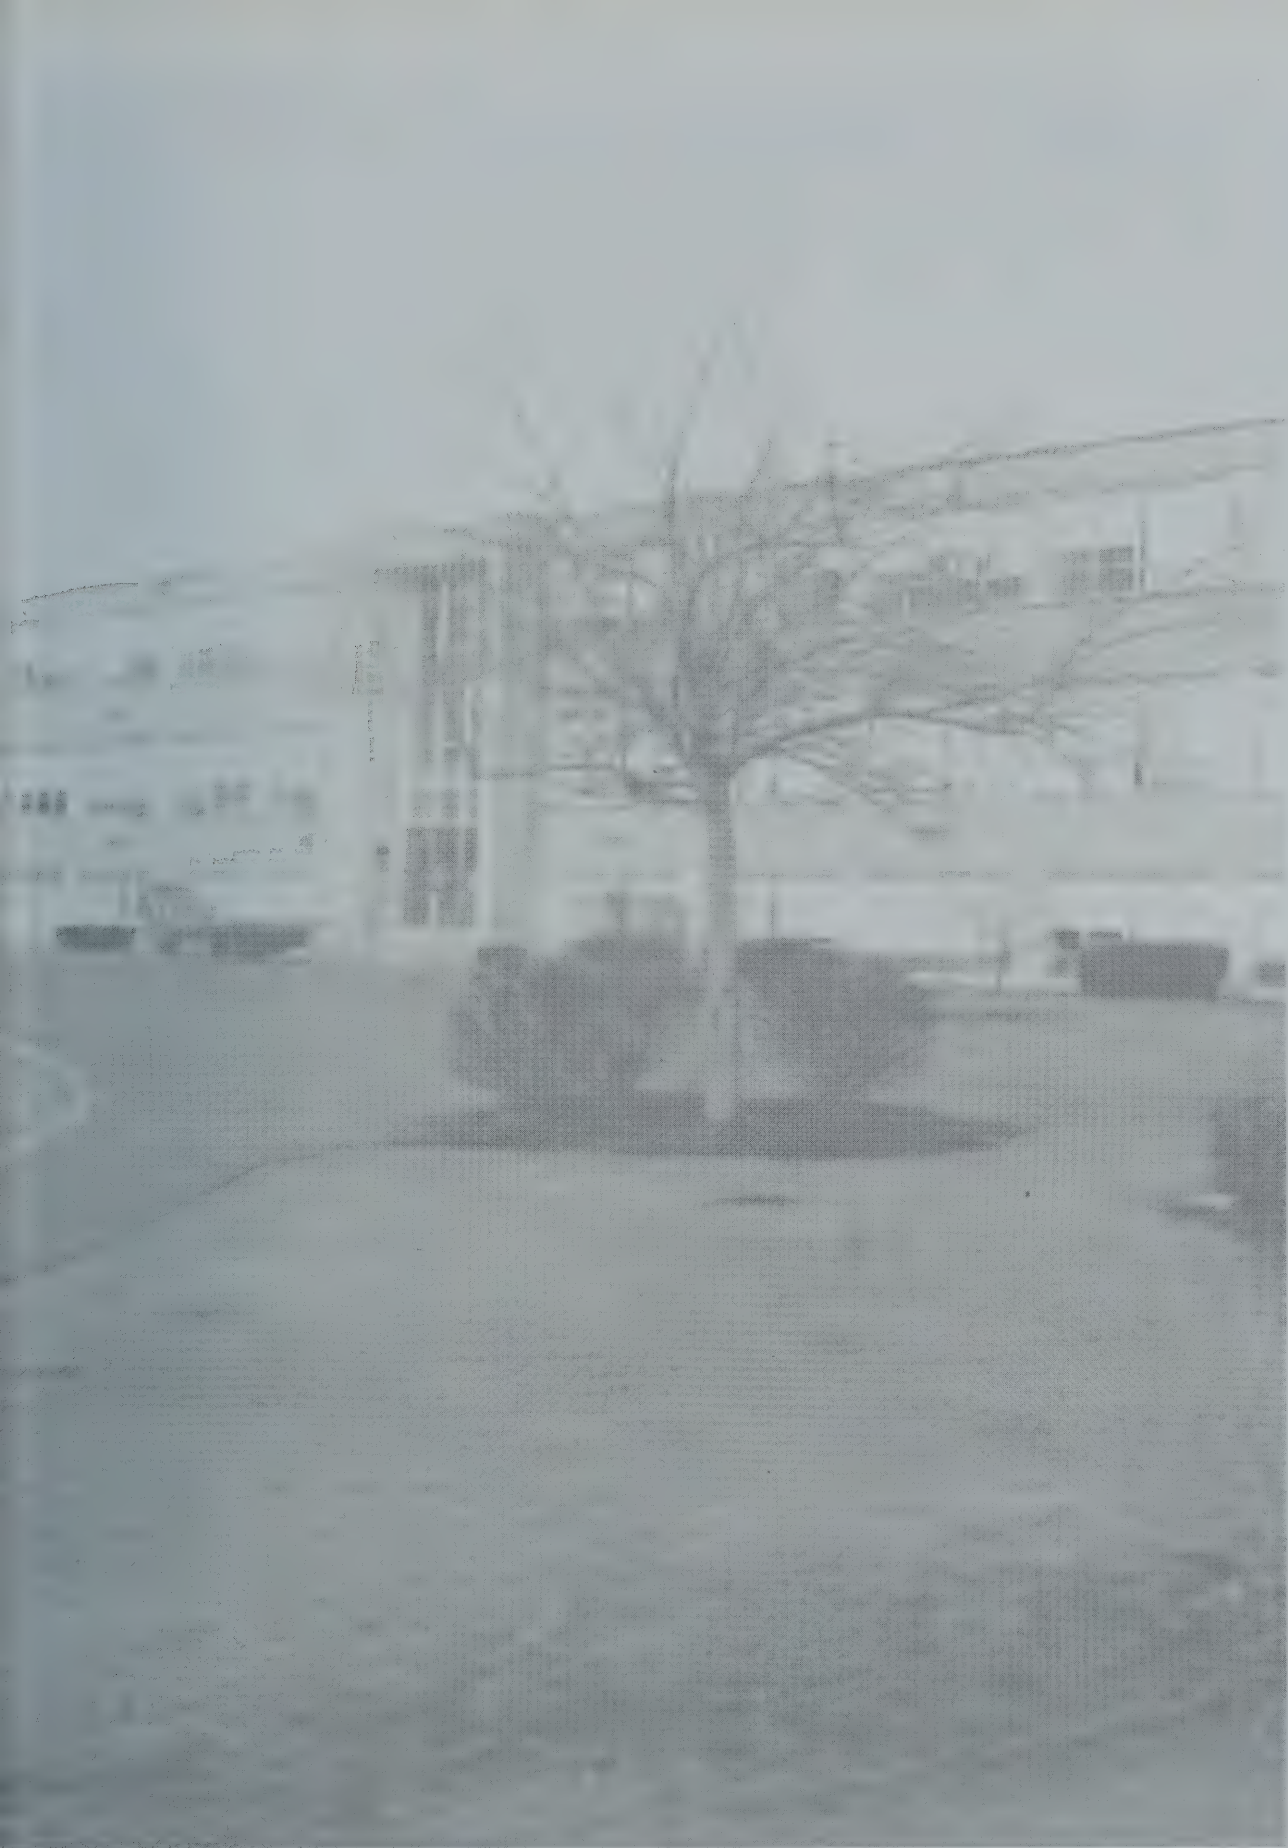

Can you believe it? We've all been strong,
even when there was no where to go.
We didn't think we could do it,
but now I guess we know.

I'll miss you all, the times we've had,
the memories that we've made.
I'll never forget you, the friends there were,
or all the games we played.

Now we go our separate ways,
Now we finally part.
I know that you'll all do fine,
And you're forever in my heart.

I hope that you've had fun too,
that these experiences have been great.
Now we move on to bigger things,
I just don't want to wait.
